Bill file

4. Earl Radley in the Bureau of the Budget called concerning our reply to Congressman Victor L. Anfuso (D., N. Y.) on H. R. 4986, his bill to establish a National Science Academy. Radley said he is circulating our proposed reply in the Bureau and will contact us on Tuesday.

5. [] (CI Staff) called in connection with Mesmer's request for information on the [] [] indicated that as far as he knew, the Agency had no interest in [], however, we would probably wish to check a memorandum which Mr. Helms sent to the Director on this individual on 15 March 1956 in response to a communication to the Director from a []. This will be checked before we reply to Mesmer's query.
